## CourseDetails

OS Grid Ref	Description	Distance
SP400137	START opposite the track to Field Farm in East End Road	0.000
SP399135	Proceed south to the T-junction with Boddington lane and turn left	
SP401134	Continue to the junction with A4095 and turn left, taking Great Care of fast traffic from the right.	
SP416142	Go east into Long Hanborough village and turn left into the minor road sign-posted towards Coombe	1.350
SP418151	Follow the main road, keeping right past the Swan inn and descend the steep hill towards the narrow bridge over the River Evenlode. (Slow, Extreme Care on approach to bend)	
SP413159	Turn sharp left past the entrance to the saw mill on the left and go under the railway to turn sharp left immediately after the railway bridge to go past Coombe Station, climb the hill and go around the sharp right-hand bend by the church into Coombe.	
SP412162	Go past Combe School and 2 road junctions on the left and then bear left and continue straight on to turn sharp left towards Stonesfield	3.100
SP396172	Continue past Notoaks Wood and descend the switchback hill and up into Stonesfield. Bear left—give way to traffic from the right.	4.300
SP390173	Bear sharp right (care) at the next road junction and continue on the major road northwards through the village until reaching a triangle where turn left and left again to head south-west down the hill out of the village. Bear right at 2 fork junctions with two minor roads on leaving the village and take the road towards Fawler.	4.650
SP387173	Climb to the top of the hill after Stonesfield and turn left onto the road signposted "North Leigh 3 miles"	5.130
SP386160	Go south down the hill. Taking care at the sharp Z-bends where the minor road to Fawler leaves to the right and cross the railway bridge.	6.060
SP386156	Continue down to the River Evenlode and turn sharp left at the cross roads near Ashford Mill Farm immediately after crossing the river bridge to take the road towards East End.	6.333
SP400137	Climb White Hill (1 in 9), go through East End village (Care). Passing the start point completes the lap.	7.910
